What is ARKMED-PAC?

ARKMED-PAC is the bipartisan political action committee of the Arkansas Medical Society. Its goal is to support pro-medicine candidates in their efforts to win election to public office.

Who is ARKMED-PAC?

You! Any member of the Arkansas Medical Society or the AMS Alliance is eligible for membership.

What does ARKMED-PAC do?

ARKMED-PAC makes direct contributions to pro-medicine candidates seeking election to the Arkansas Legislature, select statewide office and the Arkansas Congressional Delegation.

By being politically involved in the Arkansas Medical Society, you have the power to influence legislators to pass or amend laws — laws that shape the future of medicine and affect the welfare of your patients. Now more than ever, the changing health care environment is affecting the medical community. Becoming politically involved is the best way to ensure your voice is heard and that you are part of the solution.

If you have any questions concerning ARKMED-PAC, please contact the Arkansas Medical Society Department of Governmental Affairs at 501.224.8967 or 800.542.1058.

GET IN THE RING

It's easy to sit and watch the action, but real victories are made in the ring. This fight is too important and ARKMED-PAC is your opportunity to be a champion for your patients.

Help us fight for what matters most to medicine...

Your right to be paid fairly and on time.

Your patients' rights to medical care directed by you, the physician.

Your right not to be held hostage by trial lawyers.

Your right to promote public health initiatives.

Don't let medicine throw in the towel!
