2024 ARKMED-PAC DONORS

ARKMED-PAC is non-partisan, and the board is made up of Arkansas physicians who are committed to utilizing your membership contribution effectively to help physician-friendly candidates win so they can advocate for stronger, more physician-friendly policies. The passage of the 2023 Prior Authorization Gold Card is a good example of the importance of campaign support. The lead sponsors were an AMS member-physician and a physician-spouse, both strongly supported by ARKMED-PAC in previous campaigns.

WE APPRECIATE THE FOLLOWING MEMBERS FOR THEIR DONATIONS MADE IN 2024.
